“ Daisy and I went to school together and graduated with our class. We were always friends and Daisy sang at my Wedding, We had a lot of good times together and a lot of great memories, she was a special person that I loved and the last time I saw her was at the funeral home in Brunswick when one of her relatives passed away. I am glad we were friends and My Husband went to school with her husband Danny.

Daisy was the Mother of two of my young girlfriends Kristen and Michele. I had not seen Daisy for a long time, but I'll never forget her beautiful smile and laughter. My ❤️s with the family.

“ *Prayers and condolences for Daisy's family. I've known and loved Daisy since we were children in Darien, Ga. So many childhood memories, attending business school together and being a part of each other's wedding. Sadly we lost touch thru the years, but I always cherished our friendship.*

“*I have so many great memories of Daisy, so it's hard to share only one. She was our neighbor for the past 13 of 14 years. She was a bonus grandmother to our two boys, and would do anything for our family. She will be greatly missed by so many!*”
