“ Betty I am so sorry for the loss of your husband and my friend, My condolences also to his children. I had never met his sons but I do recall meeting Jessica and yourself the first time when we worked together at the truck store in Atlanta. I so remember meeting you the,first time because he was like a little kid all excited that you were coming to the,office to see him, his love and adoration of you was honest and pure. I know that he will be missed by all who knew him.

*I have known Dale since 1958 when we were both 8 yrs old. He lived right behind me. We went to the same schools until 10th grade. We both won a radio contest for two free weeks at Camp Clearwater. He claims I saved his life while we were swimming. I honestly don't remember. In 1975 the Lord saved me, & not long after that I ran into Dale in a coffee shop where he was working. Well whatever words the Lord put in my mouth, seem to touch Dale. He told me so much later when we ran into each other again. I mention these events for God's glory, & not my own. Dale, I have shed tears for your passing, but know you are in the presence of the Lord.*
