“*Darrell and Garvin go back several decades, driving for Carolina Freight together, both in N.C. and Ga. I'm glad he got to enjoy several years of retired life, living on the Lake he loved. I'm glad he met someone who cared for him like Thelma did. They shared so many happy trips and visits. Darrell was about as easy-going as you'll ever see. He was right there at Egleston's when Emily was so sick; I'm glad he got to see her not only recover, but thrive. We enjoyed several vacations together and will remember him fondly. I regret we were out of state, away from home at the time he passed, and couldn't get back in time for his Memorial. If there's ever anything you need, Thelma, just let us know. Much love to both of you, Sharon and Garvin##imported-begin##Garvin and Sharon Bridges##imported-end##*

“ Deepest condolences on the loss of Darrell. Although we did not know him well, we will remember his jovial personality and the delicious venison he often furnished at the covered dish meetings at the Crooked Creek Community Center.

May God cover you and your family with His comfort and may your memories be sweet solace.##imported-begin##Claudia and Steve Lilly##imported-end##

“ We're absolutely shocked. There are few men of his character and sincerity. We've known him for ten years and will truly miss him. Our prayers will continue to go up for Thelma and the family.

Darrell knew the meaning of loving his family, friends & life without selfishness and in accordance with the way God intended man to exist. We can all learn from his example!##imported-begin##LOU & NANCY HUTCHERSON##imported-end##
