“ We have known Darryl and his late wife, Mickie, for many years and made several golfing trips with them. Both of them were very special friends and we've missed Mickie for twelve years and now we will be missing Darryl. Our hearts go out to his family. The joy is knowing they are back together. “ Truly Sorry to hear about Mr Darryl. He befriended me from day one after I purchased Robert Willis's place. We shared tools...I pressure washed his steps & dock but he wouldn't let me do the driveway. He had to do that himself. He let me borrow his tractor to scrape the driveway and mow grass many times. We sat on his front porch and talked many times. He came to my place for hamburgers and he has given me some of his homemade vegetable soup. We did what friends do. But I never could get him to show me his fishing holes...

If I can help you around his house just let me know. I'm going to miss my Buddy!

“ What a great man and a true gentleman. Darryl was my best friend and as such we shared many good times together from fishing to taking 'road trips'. I'll miss you Pal!!

“ To Darryl's family: You have my deepest sympathy for the loss of your loved one. I played some golf with Darryl at Little Fishing Creek golf course and always enjoyed talking to him and being around him. A very nice guy. Again  
I am truly sorry for your loss.
