“ *My prayers and thoughts go out to the entire Anness family. Dave was not only a special friend but a special person. Dave had a passion for trying things like racing in the destruction derby, racing his boat, flying planes, fishing but his greatest passion was the love he had for his family. All his June lake buddies will miss him, he added to the great times we had. I loved my friend and he will be forever missed.*

“ Our most sincere condolences to all of Dave's family. My most heartfelt memories growing up include Dave. When I was a little girl, he picked me up from kindergarten, took me to the creamery for a milk nickel, sometimes we went to the little stores in town to let me pick out Penny candy! He and my sister even took me to my first movie. As life moved on he was still always there for me, checking on me to make sure all was good. Dave will be terribly missed by many who loved him.

“ My condolences go out to you Sandy, Dana, Paul, Cole and all other family. Uncle Dave was a great man and I will always cherish my memories as a kid, going to Lake Havasu, him crash landing coming out to my wedding and everything in between. It is a sad day but am glad to know he is at peace and out of pain. Until we meet again I will always enjoy my memories.
