“ Tracey. I am so very sorry to hear of David. I do not remember a time in high school or after that the two of you were not together, and smiling. What a rarity today! You definitely made him a happy man...it always showed on his face. And I know he did you too. I know your heart feels like it is drowning in hurt. In time, most of that sorrow will be filled with nithibg but all of those sweet moments you too shared all of your lives. You are most definitely in my prayers the days ahead.
