

David Brasch

August 22, 1965 - November 22, 2023

Services for Mr. David Wayne Brasch, 58 will be conducted Thursday, November 30, 2023 at 2 PM in Williams Funeral Home Chapel with Rev. Paul Gardner officiating.

The family will receive friends at the funeral home on Thursday from 12 PM until the service hour.

Survivors include his wife, Jessie Gouker Brasch; daughter, Kalyn Corwin (Jonathan) of Eatonton GA; sons Justin Brasch of Tokyo Japan and Shane Farley of Dublin GA; two grandchildren, Brien Corwin and Nora Corwin; sisters Debbie Rolens (Brian) of Illinois and Michelle Ramos (Rick) of Indiana and brother Scott of Tennessee. David was preceded in death by his parents Lois Monahan Schueman, Cliff Schueman both of Illinois and Jim Brasch of Wisconsin.

David served proudly in the US Army for 20 years where he was able to travel the world providing him with numerous stories to tell, like the time he was windsurfing in Greece having a great time until he started to hear the theme from Jaws playing in his head and quickly made his way back to shore.

He was employed at ByLight Professional IT Services as a Senior Director for the past 14 years where he provided proposal management, technical project management, engineering design, project and capacity planning and supervision including technical oversight and direction of System engineers among numerous other activities.

Despite his time in the Army and with ByLight, he didn't find his true calling in life until he was blessed with two wonderful grandkids and that was when David aka The Best Papa ever came to be. Nothing meant more to David than Family. David will always be remembered for his giving nature, unique sense of humor, his expertise with precise measurements and what his kids refer to as Davidisms... Think safety... Good lookin out... Occupio... Fragilee, and for his explosive rendition of ABCs.

We couldn't have asked for a better husband, Dad, Papa and friend and we will miss David every day. We each have our own special memories of him that will live on in the hearts off all those who loved him.

In lieu of flowers the family request contributions to Wounded Warrior Project.

“ I don't personally have a memory of David, but my mother has shared many memories with me. I heard that he always loved to "joke" and make everyone laugh, but he was someone who was there for you.

I can't imagine why the family is going through. David was a special person. He was willing to help anyone, no matter what he was experiencing in life. He could make you life with all his stories. You will be missed my dear friend. Condolences to the family.

“ David was such a great guy, we're gonna miss him so much. He was all about his family, especially those grandkids Bri and Nora. Being The Best Papa ever meant the world to him. We'll be missing him big time, but those memories of his jokes and good times will stay with his family forever. We Love You David.

“ Uncle David gave me so many memories, little beer, 1-800-UNCLEDAVID, always asking for “status” even when he knew exactly what I was doing. He is the king of “riding the lightning” and mixing food that should NEVER be mixed. I didn’t get to meet my Uncle David until I was a freshman in high school, but it feels like he’s been in my life forever. He is a one of a kind man, and just know he’s watching over everybody. He is 100% a family man, even if you weren’t his family, he treated you like you were. He always listened to my problems and always asked what was up, it didn’t matter what he was going through, he always made time. Uncle David is not gone, his presence is still here with us. He will always be known in my heart as the man who couldn’t read the prompt on the charades device, the guy who could ride the lightning as it was nothing, beating me in risk, even when I for sure thought I was gonna get him, and the guy who would not leave me alone (i loved it though). Uncle David I love you, and I hope I’m making you proud.

“ Linda and I are so sorry for your loss. Y'all are great neighbors and David was a very special person. He would always go out of his way to help his neighbors and literally give you the shirt off his back. I remember once during a rare snow storm I looked out and saw David going house to house to check on our neighbors and offer any help possible. He was such a good guy with a unique sense of humor. We are all better off for knowing him and he will be missed greatly.
