Our prayers are with David's family during this time of sorrow. David and I were partners on the DOC Tactical Squad in the early-mid 1980s. We served together during a number of prison riots and disturbances during a turbulent time in Georgia's penal history. Many of those situations took us away from home for extended periods. David always demonstrated great courage and wisdom in difficult circumstances that would have caused lesser men to run in fear. During our off time, David's great sense of humor and quick laughter drew the team closer together. Though we lost track of each other over the years, my wife and I still regard David as one of the best friends our family ever had. Our family photo albums contain many images of David laughing at work and play. Our children loved him. The world is less without David's presence and our family is blessed to have had him in our life. May God bless David's family forever. I'm sure David has the angels laughing with him at this very moment.
