“ To the family,  
I'm sorry for your loss and send my condolences. Losing a loved one is one of the hardest times in a family's life. Always know that others care. Most important God cares. He has promised a time when he will "swallow up death forever, and wipe the tears from all faces." (Isaiah 25:8). Remember all the joyful times you all spent together with David and cherish them forever in your hearts. My prayers are with your family.

“ "car noy noy" (not sure how to spell noy, so its phonetic). Prayers for David's family and loved ones and that includes me. It hurts the heart to loose someone so special, so precious, but we give David over to God to gain his new, pain free, body and we will just hold on tight to our memories. I love you David but God loves you so much better.
