“ *Mary, I was saddened and surprised to hear of Dave's passing. He was my department chair and supervisor in Title III for a number of years at Mars Hill College. Dave was always fair and forthright, and he was certainly a brilliant mathematician. He also had a wonderful sense of humor. If your friends in Mars Hill could help in any way, please let us know.*

“ *Mary,*

It was today, 28 Mar, that Ruthie and I became aware that David had died. Needless to say, I considered David a special friend. He was a true scholar and a fine and honest gentleman. He always would let you know his true feelings regardless of the subject. David and I spent many happy hours together. Ruthie and I will hold you in our thoughts and prayers. Sadly,

“ Dear Mary,

You will get through all this and come out with flying colors. It may take longer than you think (or shorter)but you will make it.

Love from one who knows first hand.

“ We were so sad to hear about Dr. DeVries. He was my boss for 3 years and I always appreciated his very direct manner. He was a good boss. Ben took a couple of math classes from Dr. DeVries and has some great "Dr. DeVries stories" . Dr. DeVries had a huge impact on Ben.

Please know that you are in our thoughts and prayers.###imported-begin###Ben and Holly Anderson###imported-end##
