“ *I remember when we were neighbors in Bentley Subdivision. We didn't have a lot of money....didn't need it either. Everyone was friends and looked out for each other. We actually played outside , got dirty, and loved it! This was when kids didn't require computer games to have fun. David will be missed. I know God will comfort Charlotte, Stephanie, Jackie, and all of David's family. Betty Hobbs Greth*

“ *I am so Sorry for your loss. I knew David many years ago in school we hung out a lot together back then. As we get older our lives get full and busy and we lose touch with the people that we care about. I would like to thank Stephanie making it possible to reconnect with David. I so sorry he went through so much pain near the end. I bet he is smiling and dancing now. Stephanie he could not have had a better friend or sister to make those last special memories that ya'll made together and I'm sure they are just as special to you. I apologize for not being there at the end, been going through some stuff lately but if you need anything I am here for you. May God wrap his arms around each of you to help get you through this difficult time.*
