“ I can't believe you're gone! It was too soon, but you are now resting high on that mountain free from pain, free from sorrow, free from burdens. You gave out so much of yourself, the laughter we shared at times were all it took to become friends! I can see it now you and your twin brother are in paradise now together forever! I pray that your momma will have the strength to carry on until she holds you both again. Shirley I'm here for you. I love you and your son David was a blessing. God wrap your arms around this woman she needs you more than ever right now! Allison Smith

“ My son, David, you are loved by so many and didn't even know it. I know you're pain free free now and with your other half your twin Jarrod, which is where you've wanted to be since his death on October 5th 2011, but that doesn't ease the pain of me and all those who loved you. 💔

Shirley, I am so saddened by the death of your son. I pray that GOD will give you strength, and comfort. May he wrapp his loving arms around you, bringing the peace that only he can give. No mother should not have to ever go through this once, much less 2 times. I will be praying for you and your family. As you go thru these next hard day's, and months that are to come. With love Vickey and Jeff Bloodworth. (RHEEM)
