“ *David was definitely one of the good guys at Grumman. I always enjoyed talking with David the many times our jobs intersected. Lots of laughs and fun, but always serious about doing the job and doing it right. My condolences to his family and close friends. I am sure he will be missed greatly.*

“ *I worked with David for many years at Grumman-Triumph. He was a dedicated employ and always a pleasure to work with. He was also a good friend to anyone he encountered. Each year, David took it upon himself to make sure that our annual canned food drive was a success. He will be missed by his co-workers and friends. Prayers for the family. Rest in peace my friend. “ I had the privilege of working with David for two decades at the Milledgeville plant. There was none better. Everyone knew David truly cared about the people and was such a dedicated worker. Most of all, though, he was a good friend, a fighter but with a good sense of humor, and will be truly missed.

“ What a lucky guy I was to have David as a nephew!! When we did get together the laughter was so hard our sides ached! The man David became can be attributed to his hard headed drive! Loved and respected by so many , he truly made a mark on many people! We love you David and will miss you and we'll meet again! Keep 'em cracked up upstairs!!! Insist upon it!!!

“ David and I met at GMC Jr. College during our stint from '87 to '89 and the airborne picture reminded me that we were at Ft Benning Airborne School at the same time. I also remember when he met Heather and could tell from the start that David was totally “in love” so what a blessing to see that it has lasted all of these years. I have thought of David often over the years; his fun-loving, joking demeanor; his genuine care for others; his ability to make you smile even when you didn't want to. While we never reconnected, I will tell you that reviewing the many pictures that have been posted has moved me to both laughter and tears, and brought back feelings for a guy that was a true brother and friend. My heart goes out to Heather, the kids, and rest of the family and I will lift you up in prayer, that you may be both comforted and strengthened.

Sincerest condolences. Marc Carr

Thank you Marc that was beautiful. People ask how we met and your thought of often. Thank you for introducing us. I'll never forget the first time we met. He sure looked handsome in his BDU. But his humor and smile is what hooked me.
