“ Aunt Maria you were there for me through the best moments of my life. You was there when Jeff and I had our first date, when he come in to get me you found out he sang and you ask him to sing and then when I got home you were so happy for me. Then when Heavin Leigh was born you and uncle Delmar were up there with me and you pushed me to the labor and delivery room. If I ever needed to have a laughi I could call you! You were so much more than an aunt to me you were my best friend, I hope you knew how special you were to me. I will forever love and love you!##imported-begin##Jeff and Miranda##imported-end##
