“ My deepest condolences to Deborah’s family! You are in my thoughts and prayers. Deborah’s mother and my mother were sisters, who were very close although distance kept them apart a lot. Deborah was so much like my sweet Aunt Eula Mae. I am one of the Renfroe/Carter cousins. I had reconnected with Deborah on Facebook and know she was so proud of her family, especially her precious grandchildren. May the Lord give you comfort during this difficult time. Love to all of you!

“ My deepest sympathy to all of Deborah’s family. Deborah, is a cousin on our mother’s side, the Renfroe family. After losing contact for close to 50 years, sweet Deborah contacted me through FB, “was your mother Aunt Lucille? I think we are cousins.” So thankful for that message. We at least had a few years to catch up, share and boast over family pictures. My prayers are with you all. To my Renfroe cousins, we both were blessed with lots of siblings, I know the heaviness of your hearts. I am holding you all close. May God cover Deborah’s family.

“ Betty and family, I was totally shocked when I heard the very sad news about Deborah. She and I shared lots of laughs at Rheem for many many years. She was such awesome women. One that truly loved her family. She would talk about her children and Thomas a lot. I loved her so much and I know she will be missed by everyone she ever came in contact with. To know her was to love her. My heart and prayers are with each one of the family members. I pray that God will give each of you the comfort that he can only give. Not only today, but forever. Love ya Betty.
