“ *My heart breaks and my tears flow. I just found out about Debi this morning. She and I became fast friends years ago. I truly loved her. She always had a joke and a smile and loved life with Mickey and those kids. Because I moved away, it had been a good while since I had seen or talked to her, I didn't know what was going on. To Mickey and the girls: I am so sorry for your loss. Debi, I love you. Rest in peace my friend. I know without a doubt that you have the angels laughing and singing in heaven as you sit by the throne with Jesus.*

“ *When I Am Gone*

*When I am gone release me
Let me go, I have so many things to see and do
You mustn't tie yourself to me with tears
Be happy that we had so many beautiful years
I gave to you my love
You can only guess how much you gave me in happiness
I thank you for the love you each have shown
But now it's time I travel alone
So grieve awhile for me, if grieve you must
Then let your grief be comforted by my trust
It's only for awhile that we must part
So bless the memories within your heart
I won't be far away, for life goes on
So if you need me, call and I will come
Though you can't see or touch me, I'll be near
And if you listen within your heart you'll hear
All my love around you soft and clear
And then when you must come this way alone
I'll greet you with a smile and say
"Welcome Home."*

Uncle Mickey

We love you. I pray for your family to be blessed with peace and comfort during this difficult time. We will all miss her so much.
