“ I would like to express my condolences to the Mathis for your loss. I did not know Mrs. Mathis but I would like to take this opportunity to share with you a very special promise that is found in the bible at John 5:28 Jesus says that " all those in the memorial tombs will hear his voice and come out" not only does he say that he also gives us a garantee of seeing our love ones again found at Acts 17:31. So we have the hope of seeing our love ones who has fallen asleep in death. Just one more thought of encouragment found at Ps 37:9-11, 29 it brings out the hope of being with our love ones again right here on a paradise earth when the meek ones will possess the earth and the wicked ones will be no more. Please take the time to find comfort in these encouraging promises from the bible.##imported-begin##Chelita##imported-end##
