“ *Mr. Smarr, I feel like I've known you a life time. I enjoyed our talks and how you shared Army experience with me. I wasn't only your caregiver, we became friends. You knew I was only a phone call away even on my days off. My heart aches because I won't be able to hear your voice on a Saturday afternoon asking me what did I cook (my day off, lol). You were my laughing partner and a friend full of wisdom. I thank GOD daily for meeting you. I'll NEVER forget you.*

“ *I'm so sorry to hear about Dennis. He was our across the street neighbor on Sportsman Club for about a year. He became a wonderful friend and was always so kind to our son. He was thoughtful too when my husband had back surgery by bringing food and helping me take care of the yard. I spoke with him just recently and told him we'd try to get by to see him. He will be missed.*
