“ My deepest sympathy to Dickie's family. We went to school together starting at White Hall. He had the most mischievous grin and laugh! I still have a piece of jewelry in the shape of a cat that he bought me one year for Christmas (7th grade I think). His Mom and Dad were a big part of his life always involved with whatever was going on at school and when I look back upon that time in my life it is always with a smile on my face. RIP Dickie!

“ I'm sorry for your loss. I knew Dick (we called him Dickey) in the 7th, 8th and a little in the 9th grade. He was a great kid who was full of energy, I remember one of the 8th grade teachers said that he was just a normal mischievous boy and we all laughed because he was always into something. I'm sorry to hear about his passing.

Dickie and I were the Best of friends back in High School and we would get together with him on weekends and we would drive around the Hot spots of Richmond, Ky. Dickie had a personality that was a very special one. Always cutting up and laughing, and sometimes getting us in trouble, because he didn't care what he would do at times. I will be thinking about him a lot more, since he is gone. It's a shame we couldn't stay in touch until I found him on Facebook. Rest In Peace old Friend, I hope that one day we will meet again. I know you are now out of the pain that you probably had each day as you got sick and that makes me feel better for you. The times we had together will not be forgotten by no means !! “ Dick a true friend and I will miss him a lot. I've know him for over thee decades and never once saw him frown. I could write a book about the good things he has done for his family and this town. He was always the go to guy. We send heart felt sympathy to his family. I know the feeling of sadness they all have. However Dick would be the first say he had a good life and he would want his children and grandchildren and Mrs. Kathy not to be sad but to know all is fine. I'm going to miss him but I'll be upbeat and cheerful for him because that's the way he want it.
