“ Don came to mamas funeral in 2009. That was the last time I saw him and Lavern. I remember all the summers in Wrightsville when I was a child. He and Doyle was always there. He and I talked for quite a while that day. This makes 7 first cousins in the Beckham family to pass in just a short time. I pray they are all having a grand time in heaven. May God Bless Dons family and keep all in his care during this time and in the future. Alice Daniels Anderson

“ Thinking of Jody & Julie during this difficult time. Warren & I always held Billy Don & Doyle with highest regards. Billy Don was a good friend and would take time to come visit with Warren. He will be missed. I'm sure they are catching up now.

“ Years ago, when I was a teenager, we stopped at the GLO station every morning during summer. We filled up our farm truck and several cans of gas for our tractors. Don would help us and make small talk. He seemed to be a nice, gentle and quiet man. May he rest in peace.
