“ Sandy,

We share in your grief over the loss of Don. I am so glad that Melissa and I had a chance to meet you in person a few weeks ago when we saw Don at Applebees. We had so much fun with both of you and felt that you were a friendly and kindhearted person just like Don. We will sadly miss our friend, Don, because he was so much fun and we all had an excellent working relationship. We will continue to pray for you and your family. May God Bless You All!
