“*Rest in Peace my dear Dad. Don was my step-dad and I came to love him dearly. I never got to know my real dad, but Don made up for my lost time. He was a fun-loving man and he showed my family lots of love. He had his faults, but we all do. I am glad he came to terms with his personal demons. I want to thank Jo for all she did to make the second half of his life bright. I love you Don and you will always be in my heart.*
