“ Jim, children, Mary, Dennis, Wendy, Wayne, Russell, Nicky, & family:
We are so sorry to hear of Donna's passing. I remember when Donna was younger & either Boyd & Mary would bring the family up or we would come to Pine Lake & visit. Donna & I would play together. Donna has always been like a "little mom" to her siblings. Over the years, we lost touch due to marriage & families. We were able to see each other at family reunions & then, found each other on Facebook. Donna will be greatly missed. She was loved by many. She loved her family. She was always sharing things about her children & grands. Each one of you are in our thoughts & prayers. May God give each one of you the strength, the peace, & the comfort you need during this difficult time & the time to follow. We love y'all. God bless...
