“ Gary and I are saddened to hear of Dorothy's passing. She was a sweet, caring woman who loved her family and pets. We went to school with Dorothy and hadn't seen or talked with her in many years as we had moved away, but she and I recently reconnected by becoming Facebook friends. We last talked a few days before Christmas and wished each other a Merry Christmas, not knowing then that would actually be the last time we'd ever talk. I had hoped to see her in a few months at our 50th class reunion.

*Family, please know our prayers and deepest condolences are with you all. May the Lord comfort you in His arms and shower you with His love, peace, and strength.*

“ Christy, Tracie, Michael and all of the family, I am so sorry about the loss of Mrs. Dorothy. She was always so sweet to me. I was so glad when I ran into her in late 2018 and we talked a long time like no time had passed since I had seen her. I know she will be missed, but I also know how much she loved you all. She brought me up to date on how proud she was of her kids and her precious grands, and great-grands. You all have my deepest sympathy. She's healed, celebrating on the streets of gold and back with her precious Frank. Prayers, hugs and much love to you all.
