“ Dot was such a good friend to me. She welcomed Van and me into the Eatonton Presbyterian Church family. We always felt at home in that wonderful church with special people like Dot. Dot was so much fun, always willing to help out with the Youth group or go on an adventure. She made me laugh and was such a loving and positive force for good. She will always be in our hearts, and we will miss her so much.

“I am so sorry to hear of Dot passing. She and I were very close friends during High School, and had many a good time together. We planned to get together, but it wasn't in Gods plan. We messaged each other often, but never got together. One day we will see each other in Heaven. Prayers for the family. Love.
