“ To the family of Ms. Watts, I am so sorry for your loss. She was such a nice lady, when I was a kid of 14, I wasn't allowed to see Wendy any more, so Wendy said tell her your name is Keith. Years later when I was employed at the Coliseum Hospital, we used to sit and talk almost everyday, even though my name tag on my shirt clearly said Bruce, she still called me Keith, and I and everyone else at the hospital, called her miss Virginia. She will truly be missed by more people than you can imagine.
