“ I am so so sorry to hear about Dot's passing. She was such a beautiful woman inside and out. I didn't get to be with her a lot, but a particular incident I remember is my sister Martha Ann Lackey and I went to visit all our cousins up that way and she was at Maude's house and she had on a white pair of pants with gold down each leg and I was teasing her about those pretty britches and I told her I gotta take a picture of them, so I did, and I have that today. So glad to hear also that she was saved. God bless you all. I love you all so much. I would love to be with ya'all during this time, but I'm suffering from a fall and I don't think I could make it right now. I love you all. I'm so sorry that all these years have gone by and we hadn't been as close as I would like. The main thing now is, we're all getting older now and we don't know which one will be next, to live our lives so when it is our time, we'll be ready. Love, Louise Turk Bruce
