“ I just found out about Doyle. I wish I had known he was sick. He was my favorite 1st cousin. When I was a mean little girl he was always so kind to me. He came to our house in White Oak real regular in his younger years when my brothers were growing up. He was so special. In recent years we talked often and had such good conversations. He shared that he had a close relationship with our Lord. I treasure having heard that as I know he is with the family celebrating in heaven. My prayers go out to his family, he loved all of you so much. My heart aches for and with you all. Alice Daniels Anderson

“ Amy, Tina, Jim and family, I am so sorry to hear of Doyle. I know your hearts are breaking, but what great memories you have. He helped so many people so many times. I especially am thinking of the the many smiles he put on children's faces at Christmas. He and your family were always so willing to step up when others stepped out, or were having difficulty. All of you are in my prayers and thoughts.

Now they are all together in Heaven working on cars and he is always watching over each and every one of you. You all are in my Prayers*

“ *So sorry to hear this. Doyle was always kind to me. I bought three cars from him and a couple times had to be late on my payment and he was always gracious to let me pay later. He was also a customer of mine at First Federal years ago and several times told me what a pretty lady I was and didn't even need makeup to be pretty. Not flirting but just sweet. Prayers for his family as I know he will be missed.*
