“ Uncle Druey was my "Bill Nye, the Science Guy" before even Bill Nye himself. The memories are endless and rich. Nothing was more honorable than to have Uncle Druey, a WWII vet, pin me at my last promotion. My children will always remember that day and what it meant to me.##imported-begin##Timothy Hudson##imported-end##

“ I remember as a child as I came to visit at your home, I just thought you, Aunt Dovie, and Uncle Druey were the perfect couple. He was so handsome and you so pretty and petite. It was always so peaceful at your home and I even as a child learned many life lessons watching the two of you. Uncle Druey was held to very high esteem to me and my entire family. I am sorry and I know you must feel lost.  
I love all of you.##imported-begin##Shelvia and Mike Koontz##imported-end##
