“ My heart hurts for you!!! I didn't know Dwight as others I've seen here did. I just know one thing. He was a friend, a close friend to my son, Tommy Taylor. They were/are both Masons, and Dwight has many, many, many more friends who are Masons. Don't forget that!!! I'm not sure, but that may be how Dwight and Tommy met several years ago. I only know this. My son thought the world of Dwight. He said he just had lunch with him one day last week. God bless each of you and "...Cover you with His Feathers....He will shelter you with His Wings." (Psa 91:3). You are loved!!!

“ Lori, Dwight was one of my Key Club members at BHS and my student. Each time I see one of my former students has died I have a profound sense of sadness. You see, in my mind's eye they remain the young men and women I recall from my days of teaching them. Dwight has left his mark in the world as a husband, father, grandfather and a Good man. I am pleased to have known him and to have had him travel a bit of life's path with me for a time. I offer you and your family condolences and my prayers in the days ahead. May Peace Be With You.

“ *I am so very sorry for your loss. I got to know Dwight at Huddle House and Starbuck's as he had often coffee with my husband, Gordon. I would occasionally stop by and chat with that group of Gordon's friends. Dwight was always so kind and sincere, asking about our children, my special ed. classroom, etc. He LOVED having his brother-in-law there with him and I enjoyed getting to know him as well. Dwight was such a good friend to Gordon as he went through his illness and treatment and an amazing friend to our family when Gordon passed away. Michael thinks so much of Corey and Leslie as well. Please know that your family is in our prayers.*

I knew Dwight in High School but it wasn't until recent years that I got to know a bit of his character. He was a regular at the Huddle House & so was my Dad, Bill Fallin. Dad couldn't drive the last 5 or so years of his life but he wanted so to still go to the Huddle House for breakfast. Dwight made that possible many times by giving him a ride back home when no one else was available. I'm very thankful for him & his kind heart.
