“ Papa,

*I miss you so much!!! Life will never be the same without you. I love you with all my heart and I will always remember when I was a child you always had a joke or you would pick at me so bad and say I believe that there is a tick under your arm and would say let me get it I got to get it and tickle me so.. Well I must say that I teach Squeeze the same thing but I am sure you know that because she has had to get a tick or two from your arms to hasn't she>>. I promise that I will teach Squeeze and Sand-Sifter everything I can about you and the things that you taught me coming along.. I also remember hating the nickname that you gave me as a child but the older I got it kinda grew on me now I would give anything to hear you call me DONKEY now... I really loved it that is why when you would call me Crystal I was quick to correct you and say Donkey and not answer until you called me that awful nickname... But rest assured that the kids will know theirs always...Pa we took you in a truck and you even made the paper I am sure you really got a laugh from it ..... we sure did.... Tell my MAMA that I said hello and tell her all about those babies and how precious they are tell her I Love her too.....I am babbling on I am sorry there is just so much to say... Most of all I LOVE YOU SO MUCH AND I MISS YOU SO BAD...I know that you are safe now and in no pain rest in peace PA ... You were not alone if you did not know that we were there we were by your side every second you had one or two of us in the room with you that we made sure of...*

*I LOVE YOU FOREVER*

“ We are so sorry to hear about Mr. Leverett. Alisa and I send our most sincere condolences. He will be sadly missed by all that knew him. It was always a delight to be around Mr. Leverett, he was a true Southern Gentleman. His disposition of compassion, mixed with grit, and cover with humor, made him an extraordinary individual. He touched the lives of all he came in contact with. I will miss you ole buddy.
