“ Mr. Earl always treated me like a son. He loved to talk but he also loved to listen. He always made you feel he cared about you and would always give you encouragement. He had lived such a great life he was eager to share stories from the past and I will cherish the memories of those times we spent together. I stopped by the car lot a few weeks ago to see him and Lin told me he wasn't doing good. I told him to tell him I loved him. You never expect someone like Mr Earl to ever die, and you know, he never will. He touched many with his smile and his love, and Love never dies. God Bless You Mrs Virginia He Loved you so.##imported-begin##Randy & Kay Newton##imported-end##
