“ *Our father Robert Lee Jackson and Mr. Hatcher worked together at Cornell-Young Cement in the early 70's--I'll always remember visiting either the office or Mr. Hatcher's home with my dad who is also gone on. So to Clay, PeeWee and Michael you all have our deepest empathy and condolences. So very sorry for your loss. We'll continue to pray that God will continue to hold you during your sorrow.*

“ *Life is but a stopping place, A pause in what's to be, A resting place along the road, to sweet eternity. We all have different journeys, Different paths along the way, We all were meant to learn some things, but never meant to stay...Our destination is a place, Far greater than we know. For some the journey's quicker, For some the journey's slow. And when the journey finally ends, We'll claim a great reward, And find an everlasting peace, Together with the lord*
