It's me Mom ... Oh how i miss you so much . Mom I still get teary eyed when I hear your voice saying...I love you Loretta Lynn or behave yourself..Loretta Lynn and I have been. I would give anything to have a few more minutes with you .Keep thinking about those good times we had when we all were together you and the rest of out little gang. When we all would laugh together and sometimes cry oh how I miss those days . I wish Heaven had a phone because I sure would be calling and asking if you had seen my Christopher .
