“ I'm so glad I knew Edna. She was beautiful inside and out. Seeing  
her might make you feel inadequate by comparison-but that wasn't  
Edna's way. She treated everyone as a friend. I have a theory. God  
must have needed a new Kick-ass leader for his  
Angels.##imported-begin##Janet Lavender##imported-end##

“ *I want to remember Edna as the quiet "warrior" she was. Her battles were many and fierce, But her glory,her triumphs were in her winning life each day for the past 10 years. “ *When I think of Edna, I am reminded of two quotes.*

*He spake well who said that graves are the footprints of angels.*

*A butterfly lights beside us like a sunbeam,  
And for a brief moment its glory and beauty belong to our world,  
then it flies on again.*

*And though we wish it could have stayed, we feel so blessed to have seen it.*

*My condolences to her family.##imported-begin##Butch
