“ I am so sorry to find out about Aunt Edna. She was always so full of life when I would see her at Granny's. Daddy always said I got my size and spunk from her, which was an honor. The good times and conversations of days gone by will always be cherished memories. We love you all and know that God is taking care of yall during this difficult time.##imported-begin##Regina Harrison Griffin##imported-end##

“ Ms. Edna, as I knew her was a very good friend of mine. We bowled, shopped and traveled together. She was always full of energy and ready to go. She watched my child, William grow up from a baby, to boy, to the young man he is today. She always seemed to remember the times the three of us would travel, William not very old at the time, and me feeding him a Krystal hamburger. We enjoyed going to look at Christmas lights, among other things. Ms. Edna was always ready to go, no matter when or where. She touched the lives of many people through the years and will be deeply missed by all who knew her. My thoughts and prayers are with Judy and the rest of the family during this time of need. However, even though here on earth we are sad and grieving the loss of our dear friend, know that she is singing and dancing as she enters the gates of heaven and is welcomed by the angels of God to her new Home in Glory, where there will be no more suffering or pain, nothing but pure happiness. I can almost see Ms. Edna looking down on us and saying "It's okay, I will see you when you get here. Again, my thoughts and prayers are with the family.##imported-begin##Peggy Brewton##imported-end##
