“ Dear Mrs. Jane,
I am so very sorry to see Mr. Ed's memorial. He was such a sweet man and I enjoyed talking with him at the doctors office. He was always smiling and so kind and easy to get along with. My prayers for you and all your family as I know he will be missed greatly but now is at peace.

Sincerely

“ *Ed mentored so many of us at Georgia Trane. He was such a gentleman. I remember he let me use that Suburban to move some of my items. He'd do about anything to help a friend. I wish we had stayed in contact more since he retired. Jannie, blessings to you and your family.*

“ *Jane,
I love the picture of Ed! Exactly the Ed that I knew. He was dear to me. He was a mentor and invaluable as a customer servant in the HVAC business for so many years.*

Jane, you and Ed were so helpful to Nancy and me when we moved to Macon in 1972. Thank you for all you have done.

May the memories just become even sweeter with time. God bless.

“ Mr. Linton worked at Trane many years ago, and I met him after within a few years of starting at Trane. At Frank Holbrook's Christmas lunches, Mr. Linton taught me many things about HVAC and all the people that work in our industry. I know he touched the lives of many in HVAC and particularly at Trane. He will be missed and remembered as a great man. My condolences, Giancarlo Cicero

“ Ms. Jane, yesterday I was riding home and past a wrecker with a suburban on it. I thought of Mr. Ed. He drove that vehicle a long time (I remember him buying it from Frank). We loved Mr. Ed. Sorry for your loss. Prayers are with you and your family.

“ *Mr.Ed was such a humble soul that loved people. He taught David so much about heating and air. David truly loved this man and is saddened to know that he is gone but yet understands God's will. We are so very sorry to hear about the loss of Mr. Ed but we also know he's in heaven too. Until we see you again one day.....It's not goodbye but until then we will remember you and all you did for us.*

*Our thoughts and prayers are with each of you.
