“ Aunt Judy, the thought of you and Uncle Eddy brings wonderful memories to mind. The family picnics, spaghetti dinners, Sherwood Island, singalongs. Not sure how or why or where it all ended, but please know you two have always been in my heart. To me Uncle Eddy was the genius of the family, always in deep thought, inventing, creating. I think I must have inherited some of that. I come up with great ideas, but it requires five years of overthinking before it gets done! Much love ❤️

Although I only have vague memories of knowing my aunt Judy and uncle Eddy. I always thought about him and Aunt Judy and wondered how they were. I remember sifting soil with him in Alabama. Then the skies turned a weird green color and everyone was worried about a possible tornado ! It didn't happen thank God. May he rest in peace with his brothers and sisters.

“ Aunt Judy
Very sorry to hear about Uncle Eddies passing. I along with Billy remember those wild family gatherings I think at Rye beach. The one thing that will never leave me is when Uncle Ed would sing Danny boy and make my dad cry. It still brings a tear to my eyes as I think about it today.
I wish you well on the rest of your journey and very sorry for your loss

“ Aunt Judy,
It has been many years since Irene and I have saw you. We were saddened when we heard of Uncle Eddie's passing. I have fond memories of my childhood and early adult years when I think of my family and the happy times that we had. It was great being a child on Crary Ave. and having all that extended family around. Our thoughts and prayers are with you.
