“ Betty, and the other siblings ... boy! What a fighter Eileen has been. She has left her mark in many Baldwin Countians. A history enthusiast. Knowledgeable. I have admired her courage in continuing to struggle to hold onto her life. I'm sure she was exhausted. I know you'll miss her. May God be close to each of you as you learn to live without her presence.

“ *Oh, it breaks my heart to see this...have known sweet Eileen all of my life. My Coopers buddy always...I just know God wanted her to be with my sister, Diane, so they could talk about Coopers. Babb family, my heart aches with you and for you and know that I'm holding you close in my heart and prayers.*

Eileen was a lovely lady, and we used to talk about Coopers because that is where my father grew up. I bet my dad is in on that conversation with Eileen and your sister!

“ Judy and I are sorrowed at hearing the news of Eileen’s passing. Our condolences to all of the families. If ever there was a person who loved history and the past, and getting that information out to the people coming from that history, that would be Eileen. She was the go to history expert with a local knowledge of who was here, how they got here, and who they left with! And for that, she was thanked silently, every time an answer was found. We will miss her after knowing her since the early sixties. She has made her own history in so many ways. And ours too.
