“ Tom,  
All of us in the Government & Sociology Department want you and your family to know of our sincere condolences. Ellie was indeed a very special person. She had become a gifted teacher, with so much to offer to our students. We were fortunate in this department to be able at least once to take advantage of her knowledge and enthusiasm for her discipline. The students in that class thoroughly enjoyed it. She was, of course, special in so many other ways too. She leaves a big footprint in this community and a hole in the hearts of us all. May she rest easy, and may you find some relief in knowing that many others are thinking of you and wishing you all the best.##imported-begin##Mike Digby##imported-end##

“ Tom, your gal Ellie was a one-of-a-kind. she helped me so much when I first came to GCSU. I could count on her to offer at least two perspectives on every issue and in so doing, helped me formulate my own perspective on issues. May you find comfort and support in your friends here in Milledgeville as you try to adjust to Ellie's passing.##imported-begin##Lynn Waits##imported-end##
