“ I met Frieda the first time at GSU. She was one of my professors however it did not take us long to become friends. Later we worked together at SGCCC. She will truly be missed. I am so saddened by this news. My deepest sympathies to her family. I am so very sorry for your loss.

“ My memories of Frieda that were the most fun times together were our 09 & 10 years of biking. The high point for me, was the 25 mile “Another Blooming Onion” race we did from Metter. She made me laugh! She also worked in my department for my last two years at EGRMC. She had already retired from GSU. We were both registered dietitians. We often traveled together to district and state meetings. I was blessed to know Frieda! Genelda Reese
