“ Mrs. Frances and family. My heart goes out to you at this most difficult time. I have many great memories of growing up with Beth. I remember eating mayonaise sandwiches late at night in your kitchen, laying out in the sun on the roof of the porch and sliding down the hall in our socks after my mom had waxed her hardwood floors. Beth was truly a joy to those around her and she will be greatly missed. I will keep your family in my thoughts and prayers.##imported-begin##Pamela Stewart Grier##imported-end##

“ Miss Frances, Kat, Brandy & Jack: The last time I saw Beth, which was early last week, she and Kat and I laughed 90% of the time we were together, in fact when they were leaving we still were laughing; this is typical of when we three were together. What a great "last" memory with my buddy. I loved Beth, we told each other each time we talked; I know she is at peace right now..no worrying no stress,no health issues..I will miss her so much, but I know she is really really happy now, she is with Roe, Buddy, and Mr. Bobby, but most importantly in her Father's House. Please know how much I hurt and hurt for you, and if I can help to ease your hurt, you know I am here.
Brandy..always know you can call on me, I am here for you just as your mom was.
Love you all
