“ *Grandma will be remembered by all her grandchildren for her tender heart and great cooking, all the back scratching, story telling, and love. But we know she was tired and missed her other family and wanted to go home. She'll be remembered forever but we won't cry forever. There is not one bad memory our grandma but now she's cooking and fishing with the family that left before her and no longer in any pain.##imported-begin##Judy Durden Fountain##imported-end##*
