She always gave over 100% in whatever task she was given. Bob, she will be watching over you all everyday. She was one -of -a -kind and she will be deeply missed.

“ Dear Eloise Family, I had the pleasure to work with Eloise while I was River's Edge and she was something special. She was wonderful to me and my kids. She was awesome to my son, David, and helped me out by taking care of him when I needed help. I still have the Christmas gift she gave him one year. She was a joy to be a around. She is now an "angel" in heaven. I'm sure she having a blast. I will be adding her family in my daily prayers.

“ I am so sorry and so shocked to hear of Eloise's passing. She was one of the most "full of life" people I have ever met. She always seemed to have an abundance of energy to work on a project or to help someone. I am forever grateful for her willingness to take Jason to kindergarten from Mama Netta's when we lived in Riverdale. He loved riding with her. Anytime we had a transportation problem for him to go any place, he always thought we should call "Miss Eloise" because she loved hauling little children! I am so very sorry to miss the visitation and the service. I have obligated myself to work tomorrow until 6:30 PM - which I never do on a Friday night and we have our grandson's birthday party Saturday. Please know you all are certainly in my thoughts and my prayers.
