“ *As a classmate, both at Midway School and the Baldwin County High School, I found Elsa to be a genuine person who fulfilled a variety of roles. She was a tremendous basketball player at Midway (remember when the girls' game was half-court)? As a student she worked hard in her studies. And as a proud alumna, Elsa worked tirelessly to promote our class reunions by searching/requesting addresses and facilitating mailings to class members. And so with sadness today, I learned of Elsa's death upon returning home from a brief vacation. To say that she will be missed is a grave understatement. There was no one quite like her. Indeed, she has etched a special place in our hearts. May God bless her memory! I was proud to call her a friend. Sincerely, Dr. Charles W. Brown, Classmate.*
