“ *So sorry for you loss. I remember Ernie as a child who served with my father, “Doc”, at the sheriff’s dpt. I remember his smile and personality and am thankful for him and grateful to him for serving along side my dad. No doubt there are moments they shared together that allowed my father to return home safely. Thank you Ernie. You are held in high regard, even by those who new you only a little bit.*

I went to school with him from the time I started in school. We always liked to play on the tennis court at the old junior high tennis court. He was a good friend of mine.
