“ Dear Malcolm, David, William, George and Families,

We are sorry to lose Aunt Ethel, and I know you are too. She was one of the best and sweetest women I have ever known, and she loved her Lord. That is what makes the loss a little easier to bear, for we know she is in a better place and is in no more pain. Our loss is her gain. I loved her very much! I remember that she came and stayed with me for two weeks when my second child was born. I don't know what I would have done without her those two weeks. She and Uncle Paul blessed our family so many times, and we always loved to have them visit. Please know that we will keep you all in our prayers. Daddy loved Aunt Ethel and Uncle Paul very much, and he loved his whole family and all of you. He will miss her and their phone calls to each other.

It was a delight seeing the family at the funeral. I am just sorry it had to be under those circumstances. Seeing the family meant so very much to Daddy, too, although he kept saying, "Isn't it amazing and wonderful that we all ended up at the same restaurant at the same time? What a miracle!" We love you all, and we hope that we can keep in touch.

Love,

Debbie Prescott Gold###imported-begin###Debbie Gold and David Prescott###imported-end##
