“ Suellen and Famiky I was saddened to hear the news. There is so many memories shared with your mom. I always felt like I was one of her children. She was always so protective of me when I started to work in Medical Records for I was the baby of Medical Records. I will never forget the time my mom bought me a pretty green skirt, Etta was not gonna have me wearing that skirt with that split in it so therefore I had to bring it to her to sew up the split or not wear it again, so u know how that went. I would ask for biscuits and she never hesitated about bringing biscuits with sausage, eggs and her homemade jelly. There are so many memories and i could go on and on. She was so very special. May you all find comfort in knowing heaven has gained an angel indeed. She will be missed. I love you Etta . RIP

“ Ms. Etta lived an exemplary life of strength, loyalty, and love. She always worked hard to provide for her family physically, emotionally, and spiritually. Ms. Etta was a Godly and wise woman who was faithful to her family and her God. She was thoughtful and caring of others and carried herself with dignity and grace.

Ms. Etta was love. "Love is patient, love is kind. It does not envy, it does not boast, it is not proud. It does not dishonor others, it is not self-seeking, it is not easily angered, it keeps no record of wrongs. Love does not delight in evil but rejoices with the truth. It always protects, always trusts, always hopes, always perseveres." (1 Cor. 13: 4-7)

We know there will be a void in your life, but Ms. Etta is in heaven now rejoicing with the angels. We are sure she is singing, laughing and visiting with friends and relatives.

You will remain in our thoughts and prayers. We will make a memorial contribution to her church.

Love,
