“ Virginia, I was so sorry to hear of the loss of your Gene. Billy and I always loved the times you visited us. I loved to hear them talk about the times they had before they knew me and maybe you. I pray for God's love and comfort to be with you and your family in the days ahead. I would love to see you when you are back my way again.

“ My Father was a fair and honest man. A loyal and true husband to my mom, and the best Dad we could ever want. The world would be a better place if there were more just like him. God called him home, this we have to accept. But " He will live on forever in our memories and hearts". Hug your Loved ones and spend your time wisely".
