

Eugene Roe

July 3, 1938 - June 21, 2021

Eugene Ferrell Roe, born in 1938 and raised in Spencer, West Virginia, and resided in the Parkersburg West Virginia area for many years and in 2005 made Milledgeville Georgia his home with his wife of 42 years, Martha Rector Roe.

Gene graduated from Marshall University in 1961 with a bachelor's in civil engineering, started and ran his own construction and contracting businesses throughout his career. Even in his retirement, Gene always enjoyed rising early (very early), well before the sun to get a start on the day as well as a start on a good crossword puzzle or Sudoku. One or more were always in the works. Gene also enjoyed his breakfasts with friends and lengthy discussion of current events, enjoyed history and Lincoln in particular, and was an avid lover of airplanes and held a private pilots license for many years. Gene also had a huge heart for animals and he and Martha shared their homes with many pets over the years. No stray ever went hungry once Gene learned of their plight.

Gene was preceded in death by his wife, who passed away suddenly on June 12, 2021 and by his parents, Ferrell and Geraldine and a younger brother Gregory. He is survived by his daughters Merrell Roe of Mt. Pleasant, South Carolina and Carrie Roe of Little Hocking, Ohio, as well as siblings Carol, Roger and Mike,

Martha's devotion to him and he to her was most prevalent during his years battling Alzheimer's and his daughters are forever grateful for the incredible care and love provided to their father by Martha and by the Leeder family.

Tribute Wall
